## A brief history

Here's some good content about one of the classic MAX IV beamlines.

- 1 Very coherent
- 2 Very focused
- 3 Great staff

Some other beamlines of historical importance.

- 1 SoftiMAX
- 2 CoSAXS
- 3 and all the rest

Another section

MAXIV

The logo consists of the word "MAXIV" in a dark grey, stylized, sans-serif font. The letters are composed of thick, straight line segments. An orange swoosh, made of two curved lines, starts under the 'M', loops around the 'A' and 'X', and ends under the 'V'.
